

General Clarifications & Information:

- Clarifications:

1. Confirm allowance for OSF unforeseen requirements.
 - a. An allowance of \$25,000 is to be carried in the bid for unforeseen conditions.
2. Confirm low voltage coordination with #S%.
 - a. For data, the contract documents indicate the contractor to install conduit, cable, outlet and termination.
 - b. For the &A, the contract documents indicate the contractor to install conduit & cable. (The separator is b+ #S%).
 - c. For Fire alarm the contract documents indicate the contractor to install conduit, cable, device and termination.
 - d. No security is in the contract documents.
- Confirm schedule delays as part of the project.
 - a. In today's market, it is understood resources are unreliable. #oc* Hill Schools is understanding but also requires these projects complete for student occupancy as soon as possible. #oc* Hill Schools will be fair concerning the schedule but will rely on the contractor to implement the project in a transparent and professional manner with the utmost sense of urgency, working in collaboration to reach occupancy per the contract date. With this in mind, #oc* Hill Schools is included in the
