

Help Your Child Succeed in School: Build the Habit of Good Attendance Early

DID YOU KNOW?

- Starting in preschool and kindergarten, too many absences can cause children to fall behind in school.
- Missing 10%, or about 2 days each month over the course of a school year, can make it harder to learn to read.
- Students can still fall behind if they miss just 1 or 2 days every few weeks.
- Being late to school may lead to poor attendance.
- Absences and tardiness can affect the whole classroom if the teacher has to slow down learning to help children catch up.

A child who starts school with a habit of good attendance is more likely to succeed in school. Eventually good attendance will be a skill that will help them succeed in high school and college.

WHAT YOU CAN DO

- Set a regular bedtime and morning routine.
- Lay out clothes and pack backpacks the night before.
- Kee®
- If your child seems anxious about going to school, talk to teachers, school counselors and other parents for advice on how to make your child feel comfortable and excited about learning.
- If you are concerned that your child may have Covid-19, call your school for advice.
