

Policy JICJ Possession/Use of Personal Electronic Devices or District-Owned Devices

Issued 6/23

Purpose: To establish the basic rules for the board's permission of personal electronic devices or district-owned devices on school grounds, in the school buildings, on buses, or during any other time they are under the direct administrative jurisdiction of the school, whether on or off the school grounds.

Personal Electronic Device

For purposes of this policy, "*personal electronic device*" includes, but is not limited to, cell phones, pagers, gaming devices, or other devices that emit an audible signal, vibrate, display a message, display or record an image, or otherwise summon or deliver a communication to the possessor. Personal electronic devices are not permitted to be on or visible during the school day and should be stored in lockers or backpacks while on campus between student arrival and dismissal bell.

Unauthorized use of a personal electronic device may include, but is not limited to, taking pictures or recording without permission, cheating, harassment or bullying, use during any emergency drill, use during unauthorized times, or use for unlawful activities.

A student in possession of a personal electronic device in conflict with this policy will be subject to discipline as provided under administrative rule JICJ-R.

Violations of this policy may result in the confiscation of the device and all its components. Students are not allowed to erase the history or remove the battery, SIM card or any other part of the device before giving it to the school official. Students will receive the phone at the end of the school day.

The district is not responsible for the loss or damage of any personal electronic device brought on school grounds, in the school buildings, on buses, or during any other time they are under the direct administrative jurisdiction of the school, whether on or off the school grounds.

District-Owned Device

The district may provide students with electronic devices including, but not limited to, tablets or laptop computers. In an effort to enhance students' learning experience. The district will determine the device that best suits the needs of the students.

Students will have no expectation of privacy with respect to any information contained on these devices. District-owned devices may contain tracking software to recover lost or stolen devices. Students are not allowed to erase the history or remove the battery, SIM card, or any other part of the device. Students will abide by the district's acceptable use policy (IJNDB) established for the use of technology resources. Students who violate the acceptable use policy or do not follow instructions for
